

'WATER SUITE' OPENS AT OZEN BY ATMOSPHERE

Catering to the most discerning of travellers, luxury Maldivian resort **OZEN by Atmosphere** at Maadhoo, has opened the doors to a 430sqm 'Over-Water Suite', which includes an exclusive overwater bar, serviced 24 hours a day!

Positioned at the tip of the pier - and just a stone's throw from the resort's underwater restaurant M6m - the OZEN Water Suite offers panoramic views of the expansive turquoise lagoon all-around and can comfortably accommodate 8 people (4 adults + 4 children, or 6 adults + 2 children + maid/nanny).

The Overwater Suite includes three bedrooms, two of which are king sized doubles and one twin bed room. Additionally, there is a fully equipped personal gym, a maid/nannies room with separate access, a kitchenette, ensuite bathrooms, spacious outdoor dining pavilion, a private 35sqm pool and even a tranquil, private sand bank!

Indulgent special touches are in abundance throughout the suite, with fibre-optic mood lighting and sections of glass flooring in the bedrooms revealing the underwater world below and infusing a natural aesthetic. A standalone private bar is also part of the Suite's complex, which is fully staffed and stocked with an array of beverages, including top shelf wines and champagne.

Taking the level of service one step further, guests will also have their own private butler service throughout their stay here and can relax without the worry of unexpected bills thanks to the Atmosphere Indulgence Plan, which covers dining at any of the resort's five diverse restaurants, all beverages and non-motorised water sports.

Mr. Venkata Giri, General Manager at OZEN says, "We're delighted to showcase the OZEN Water Suite to the world. A labour of meticulous planning and creative design, the suite reflects our dedication to provide a holiday experience that goes above and beyond expectations. We're very much looking forward to welcoming our first guests into the suite to make unforgettable memories on the island of Maadhoo!"

The latest and most presidential addition to OZEN by Atmosphere, which opened in July 2016, the OZEN Water Suite will accompany the existing 89 luxurious stand-alone villas; 41 beach-front 'Earth' villas line the coastline of the main island, whilst an additional 48 over-water 'Wind' villas sit directly over the lagoon, many of them with their very own Pools. Other recent notable additions include Sub-zen, the resort's semi-submersible submarine, available for excursions and private hire.

OZEN Water Suite Lead in Rates: £1,164 per person, per night, on the Atmosphere Indulgence Plan (villa pricing based on minimum of six paying persons, adult or child)
